

AVAILABLE POSITION: 2021

# FULL-STACK DEVELOPER

JHB-BASED

At WinWin International, we specialise in creating and implementing impactful blended learning and strategic communication solutions. We are passionate about bringing adventure into people development, employee engagement and learning experiences.

We are looking for a senior-level, full-stack JavaScript software developer that is able to understand client requirements, find the most suitable and efficient solutions and implement them using best practices.

## YOUR RESPONSIBILITIES

- Understanding client requirements, planning, developing and testing new and current software solutions
- Debugging and updating of current solutions
- Deploying, monitoring and maintaining new and current software solutions
- Creating and updating data using MySQL databases
- Being able to work independently as well as in a team, depending on the nature of the work
- Efficiently managing multiple projects for different clients simultaneously
- Maintaining a high standard of work and consistent attention to detail on every project, even when quick turnaround times are expected
- Ensuring the appropriate management of time, deadlines, and resources in line with the requirements given
- Staying abreast of updates and best practices in the development space, involving and challenging the team accordingly to add value to the business and our offerings
- Adopting the vision of the company, helping us to achieve our goals from a development point of view

## OUR REQUIREMENTS

- Minimum 3 years' of JavaScript experience
- Experience working with AngularJS, React, NodeJS, MySql etc
- Good understanding of relational databases
- Strong communication skills and fluent in English
- Innovative thinker with excellent problem solving skills
- Must be able to work in a team and independently
- Must be able to work under pressure, multitask and stick to deadlines
- Committed team player who is willing to challenge us and themselves to do better
- Organised with excellent attention to detail

If this opportunity sounds right for you, please send your CV, portfolio (if applicable) and cover letter to [info@winwinza.com](mailto:info@winwinza.com)

Please be mindful when applying for this role – **applicants who do not meet the above criteria will not be considered.**

AVAILABLE POSITION: 2021
